

# Caustic CIP-1

## Nonfoaming Alkaline CIP Cleaner

Highly concentrated alkaline solution for use in controlled foam applications such as CIP (Cleaning-In-Place) or pressure systems. Nonfoaming, clear, colorless, and odorless. Attacks grease, oils, and other alkaline-sensitive soils. Balanced chemistry allows consistent performance and results during extended cleaning operations. Effective in all water temperatures and conditions. Rinses freely. No residual odor or fumes.

### DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

**CAUTION: Contains caustic. Do not use on aluminum, pewter or other soft metals.** Consult your chemical representative for specific use applications and directions.

### FAST FACTS

- Low foaming
- Nonchlorinated
- Highly concentrated
- Free rinsing
- Odor free
