

SG-15

Porcelain & Tile Cleaner

Thickened 15 % Phosphoric Acid-based bowl, porcelain, and bathroom cleaner. Formula clings to vertical surfaces for increased cleaning power. Ideal for use in hard water areas, or other areas where lime scale, calcium salts, and other deposits exist. Easily and quickly removes uric acid salts and other sources of bothersome odors. Pleasant almond scent leaves areas smelling clean and fresh. Detergents and other wetting agents are especially effective on soap scum, dirt, and light oils found on sinks and around bathroom fixtures. Extremely effective on a variety of surfaces and soils. Use where Hydrochloric Acid formulations cannot be used.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Use in well-ventilated areas on acid-safe surfaces. Do not mix with ammonia or bleach. Wear appropriate PPE.

1. Flush toilet or urinal before using.
2. Apply 2-3 oz. to inside of bowl or urinal.
3. Swab with bowl brush.
4. Clean area under rim.
5. Flush to rinse.
6. Repeat if stubborn stains reappear.
