

Alkali Foam

High Foam Alkaline Smokehouse Cleaner

Highly concentrated foaming alkaline cleaner and degreaser for use wherever high clinging foam is desired. Excellent degreasing ability on vertical surfaces, walls, ceilings, and alkali-resistant equipment/surfaces where extended cleaning contact time is desired. Removes carbon deposits, heavy grease deposits, oils, and burnt-on soils in food processing and industrial cleaning applications. Free rinsing; works well in all water temperatures and conditions.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Do not use on alkaline sensitive, nonferrous metals or painted surfaces. Always rinse with fresh water after use. Wear appropriate PPE.

Recommended dilution ratios of cleaner to water are as follows:

Foaming applications: Dilute at 10 to 60 parts water.

Soak tank / Cleaning-Out-of-Place (COP): Dilute with 6 to 12 oz. per gallon of water.

Grease vats / Drains:

1. Pour 4 to 8 oz. of product directly into vat or drain.
2. Allow to remain for 5 minutes.
3. Follow with hot water rinse.

FAST FACTS

- Powerful cleaning and degreasing
- Clings to vertical surfaces for extended cleaning contact time
- Removes heavy grease and carbon deposits, oils, and burnt-on soils
- Free rinsing
