

Alkaline LF

Low-Foaming Alkaline Cleaner

High strength, low foaming, nonchlorinated, alkaline cleaner and degreaser for use in CIP (Cleaning-In-Place) and other applications where low foam is required. Removes heavy deposits of alkaline-sensitive soils such as carbon, grease, oil, protein, starch, animal fats, etc. Free rinsing; works well in all water temperatures and conditions. Ideal in food preparation/processing plants, industry, agriculture, etc.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Contains caustic. Do not use on aluminum, pewter or other soft metals. Consult your chemical representative for specific use applications and directions.
