

# White Lotion Hand Soap

High foaming, pH balanced hand soap. Rich, stable lather leaves skin clean and refreshed. Can also be used on hair and body. Perfect for use in health clubs / fitness centers, schools, hotels / motels, and health care. More economical than sealed cartridge foam systems and has greater yield than traditional liquid hand soaps. Delightful fresh apple scent.

## DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

1. Wet hands and apply small amount of White Lotion Hand Soap in palm of hand.
2. Rub hands together briskly, working lather into knuckles, skin creases, and around fingernails.
3. Use fingernail brush to remove soil from under nails.
4. Rinse with water.
