

Low Odor Floor Stripper

Low Odor Floor Stripper is a powerful, fast-acting formula that removes floor finishes and seals from a variety of floors. Ideal to use in areas where low odors and indoor air quality is important. Excellent for use in hospitals, medical clinics, nursing homes, schools, extended care, grocery stores, commercial buildings, and retail environments. Powerful penetrating agents effectively remove heavy buildups of finishes, even those that are frequently burnished.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Wear appropriate PPE. Test for colorfastness using diluted solution in an inconspicuous area. Dilute solution with warm to hot water according to level of buildup. Recommended dilution ratios of stripper to water are as follows:

Light buildup: 1:10.

Medium buildup: 1:6.

Heavy buildup: 1:4.

1. Liberally apply diluted solution to floor. Do not allow floor to dry. Reapply stripping solution as needed to keep floor wet.
2. Allow solution to remain on floor until the finish has become loosened and can be removed from floor.
3. Scrub floor with machine and pick up residue from floor. Do not allow loosened material to dry on floor.
4. Rinse floor prior to recoating. Use of a neutralizing solution in the final rinse will ensure better bonding and performance of future floor coatings.
5. Reapply Nycoco floor seal and/or finish in normal manner.

FAST FACTS

- Low odor
- Nonammoniated
- Powerful
- Use in health care settings, schools, and retail environments
- Use where indoor air quality is important
