

Orange-D

Natural Citrus Cleaner Degreaser

Orange-D is a 90% citrus solvent emulsion cleaner and degreaser. Attacks, loosens, and dissolves grease, tar, ink, rubber marks, carbon, resins, glues, high temperature lubricants, hydraulic fluids, and carbonized soils. Forms an emulsion when diluted and mixed with water. Use for industrial cleaning, in lift stations, grease traps, and garbage chutes. Excellent for printing operations, removing adhesives from floors, cleaning tar, grease, and asphalt from vehicles and equipment.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Will attack latex paint. Test surface for compatibility before use. If used in pressure washers or automatic floor scrubbers, solvent resistant seals/gaskets and squeegee blades must be in place.

Dilute solution according to the degree of soil and method of cleaning. Recommended dilution ratios of cleaner to water are as follows:

Tar: 1 part product to 3 parts water.

Glue/Adhesive: 1 part product to 20 parts water.

Ink: 1 part product to 3 parts water.

Hydrocarbon Soils: 1 part product to 32 parts water.

FAST FACTS

- 90% d-Limonene
- Cuts through heavy industrial soils and buildups
- Removes grease, oil, tar, ink, adhesive, rubber marks, paint
- Use in lift stations, grease traps, and compactors
- Cleans and deodorizes
