

# CD-Foam

## High Foaming Chlorinated Cleaner Degreaser

CD-Foam is a high-foaming, chlorinated alkaline degreaser for pressure washing and foam cleaning applications. Concentrated with rich, long-lasting foam. Stabilized chlorine source attacks protein and destains surfaces such as cutting boards, meat/fish processing equipment, floors, walls, ceilings, chutes, conveyors and compactors. Works as a soak tank cleaner in COP (Cleaning-Out-of-Place) applications. Alkaline formulation penetrates, loosens, and cuts through heavy greases, fats, oils, and burnt carbonized soils. Works in all water temperatures and water conditions.

### DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

**Test surfaces for compatibility before use. Do not allow to dry on glass surfaces.**

Dilute solution according to the degree of soil and method of cleaning. Recommended dilution ratios of cleaner to water are as follows:

**Light soil:** 1:64.

**Medium soil:** 1:32.

**Heavy soil:** 1:16.

### FAST FACTS

- High foaming
- Cleans grease, oil, and food soils
- For use in meat rooms, kitchens, and industrial cleaning

### MARKETS

- Industry & Manufacturing
- Food Service
- Food Processing
- Plumbing & Heating
- Transportation

### SPECIFICATIONS

<b>Color</b>	Light Yellow
<b>Scent</b>	Chlorine
<b>pH</b>	> 13.5
<b>Viscosity</b>	Water Thin

### PACKAGING

<b>NL684-G4</b>	4x1 Gallons/Case
<b>NL684-P5</b>	5 Gallon Pail
<b>NL684-D30</b>	30 Gallon Drum
<b>NL684-D55</b>	55 Gallon Drum
