

# F-G

## Tile & Grout Cleaner/Restorer

F-G Tile & Grout Cleaner/Restorer deep cleans tile and restores grout to like-new appearance. Intensive deep cleaning action penetrates micro-pores, lifting soils to the surface. F-G cleans and restores both tile and grout in a single step. Excellent for use on porcelain, ceramic, quarry tile, and brick pavers. Effective on deeply stained and heavily soiled floors/grout. Great for use on greasy kitchen floors, building entrances, food courts, quick serve restaurants, bathrooms, transportation centers, showrooms, etc.

### DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

**Sweep floor to remove loose soil and debris.** Dilute solution with warm / hot water in mop bucket or automatic scrubber and follow directions below:

#### Light Soil:

1. Dilute 2 - 6 oz. of product per gallon of water.
2. Wet mop or auto scrub floor.
3. Pick up solution and rinse floor with clean water.

#### Medium Soil (grout slightly discolored when dry):

1. Dilute 12 oz. of product per gallon of water.
2. Apply solution to floor and let cleaning solution stand for 10 minutes.
3. Agitate with machine or deck brush when first applied and just before solution is picked up.
4. Do not allow solution to dry on floor.
5. Pick up solution and rinse floor with clean water.

#### Heavy Soil/Restoration:

1. Dilute 32 - 48 oz. of product per gallon of water.
2. Apply solution to floor and let cleaning solution stand for 20 minutes.
3. Agitate with machine or deck brush when first applied and just before solution is picked up.
4. Do not allow solution to dry on floor.
5. Pick up solution and rinse floor with clean water.
