

# EGG WASHING PROGRAM

A Full Line of Liquid Products  
For Use in the Egg Washing and Poultry Industries

## CLEANERS

### **Defoaming Egg Wash** (NL970)

Defoams as it cleans, eliminating the need for additional defoaming product in the hot water wash tank. Automatically reduces foam from egg protein in egg washing systems. For use in Federally inspected egg, poultry, meat and other food plants.

### **Alkaline pH Booster** (NL195500)

Permits greater control of wash tank alkalinity levels. Aids in meeting local regulations and can improve washing efficiency and reduce rewashing.

### **Chloro-Clean 305** (NL305500)

Low foam chlorinated alkaline cleaner for CIP and machine washing applications. Chlorinated for extra cleaning and destaining power. Use for circulation systems, pan washers, bakeries, meat/poultry processing, bottlers, etc. Test on nonferrous metals.

### **Alkaline LF** (NL303500)

Low-foaming, highly alkaline egg washing detergent. Nonchlorinated. Use of a defoaming agent is recommended.

## DEFOAMER

### **Defoam FL** (NL640500)

Additive to reduce foam in a variety of applications. Use in return tanks, CIP, machine systems and egg washing to eliminate foam. High activity, low use rates.

## DISINFECTANTS / SANITIZERS

### **Chlorine Sanitizer II** (NL326)

Sanitizer for use where sodium hypochlorite is recommended. No rinse solution eliminates stain buildups and reduces protein deposits. Use as sanitizer in machine washing applications and other CIP or low foam circulation applications. EPA registered.

### **N601+** Disinfectant/Sanitizer (NL611)

Quaternary ammonium chloride no rinse sanitizer for use on food contact surfaces. Use in COP, spray and all other sanitizing systems. Sanitizes tools, equipment and utensils in soak tanks and "3rd sink" systems. EPA registered.

### **Sani-Spritz Spray** One-Step Disinfectant Cleaner (NL763)

Ready to use quaternary ammonium spray disinfectant cleaning solution. Effective against both blood borne organisms and Avian Influenza. Spray and wipe cleaning and disinfecting. EPA registered.

## ADDITIONAL ITEMS

- Degreasers for floors, walls, and ceilings
- Drain openers / maintainers
- Glass / mirror cleaners
- Restroom, locker room, and shower room supplies
- Charts and training materials
