

Oh the Weather Outside is Frightful, BUT

The Floors are so Delightful

when you use Trax-Buster Ice Film Neutralizer

- Removes surface alkalinity and abrasive residue
- Protects and extends the life of any floor finish
- Prolongs "strip-out" cycles in high traffic areas
- Protects your carpet investment from fiber damage and stains
- Regular entryway maintenance reduces carryover to carpeted areas
- For use on all types of floors and in carpet extraction machines
