

Bowl Kleen 8

Toilet Bowl Cleaner

Hydrochloric acid formulation used for cleaning bowls, urinals, and other porcelain surfaces in washrooms. This low acid cleaner is easy to use and uniformly coats surfaces for full and effective cleaning and deodorizing. Ideal for removing scale, calcium, lime, iron/rust or uric acid buildups. Destains porcelain quickly with no fuming. Fortified with detergents, penetrants, and other wetting agents to be effective on soap scum, oils, and dirt found in industrial environments.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Use in well-ventilated areas on acid-safe surfaces. Do not mix with ammonia or bleach. Do not apply to chrome or metal fixtures. Wear appropriate PPE.

1. Flush toilet or urinal before using.
2. Apply 2-3 oz. (59-89 mL) to inside of bowl or urinal.
3. Swab interior surfaces with bowl brush.
4. Clean area under rim.
5. Flush to rinse.
6. Repeat if stubborn stains reappear.
