

Blaze EC

Cleaner Degreaser

Blaze EC is a powerful, fast-acting degreaser for tough cleaning jobs. This aqueous-based degreaser is the perfect blend of detergents, alkali, and cleaning solvents to easily clean dirt, oil, grease, grime, and food soils. Universal in application, Blaze EC can be used for industrial cleaning, concrete, and quarry tile floor scrubbing, food service/kitchen cleaning, duct cleaning, food processing, pressure washing, engine degreasing, parts washing, spray & wipe cleaning, and more. Safe to use on metals, plastic, fiberglass, and most painted surfaces. Inhibitors prevent flash rusting on cleaned metal surfaces.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Test surfaces for compatibility before use. Do not allow to dry on glass surfaces - it may etch. Rinse glass surfaces with water after use. Rinse food contact surfaces with clean/potable water after use.

Dilute solution according to the degree of soil and method of cleaning. Recommended dilution ratios of cleaner to water are as follows:

Light soil: 1:64.

Medium soil: 1:32.

Heavy soil: 1:16.

Pressure washing: 1:40.

FAST FACTS

- Powerful cleaning and degreasing
- Universal applications
- Cuts through heavy buildups
- Removes grease, oil, tar, and rubber marks
- Loosens and removes carbonized soils
