

Bruiser

Industrial Strength Cleaner Degreaser

Bruiser is a powerful, fast-acting degreaser for tough industrial cleaning jobs. Water-based blend of buffered alkali, cleaning solvents, and detergents, Bruiser meets the heaviest cleaning challenges. Universal in application, Bruiser can be used for industrial cleaning, concrete and quarry tile floor scrubbing, food service/kitchen cleaning, duct cleaning, food processing, pressure washing, engine degreasing, parts washing, spray & wipe cleaning, and more. Inhibitors prevent flash rusting on cleaned metal surfaces.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Test for surfaces for compatibility before use. Do not allow to dry on glass - it may etch. Rinse glass surfaces with water after use. Rinse food contact surfaces with clean/potable water after use.

Dilute solution according to the degree of soil and method of cleaning. Recommended dilution ratios of cleaner to water are as follows:

Light soil: 1:128.

Medium soil / Pressure washing: 1:64.

Heavy soil: 1:32.

Carbonized soils: 1:16.

FAST FACTS

- Powerful cleaning and degreasing
- Universal applications
- Cuts through heavy buildups
- Removes grease, oil, tar, and rubber marks
- Loosens and removes carbonized soils
