TOTAL CARPET CARE

A PROGRAM FOR RENTAL AND RETAIL

SCAN FOR ADDITIONAL PRODUCT INFORMATION

Professional Results... Available for Consumers!

Professional carpet cleaning formulations and professional cleaning results are now available for the consumer. The Nyco Consumer Carpet Care product line is time-tested with proven performance by professional carpet cleaners. These products represent the latest in technology, are safe on stain resistant fibers and are 'professional' strength.

The Nyco Carpet Care Program is a comprehensive product line for residential cleaning and maintenance of carpets, rugs, and upholstered surfaces. From spotters to cleaners and post cleaning treatments, Nyco offers a total program for **rental markets** and **retail shelf sales**.

Our retail products are packaged for the consumer in distinctive and engaging blue containers that stand out on the shelf and on rental displays for immediate brand recognition and subsequent repeat sales. High impact graphics direct the customer to the correct product. Package directions are in English, Spanish, and French. For sale in all 50 states, Canada, and Mexico.

Nyco also offers a **Total Floor Care Program** with *high performance professional results* for consumers.

Call **800.752.4754** for details!

Total Carpet Care Program for **rental markets** and **retail**!

Extraction Cleaner

Deep Cleans and Deodorizes

Cleans and brightens carpet and upholstered surfaces using extraction type machines. Low pH formulation is recommended for use on all carpet fibers. Highly concentrated and low foam. Easily loosens, lifts, and removes embedded dirt and soil from fibers with no sticky residue! Resists resoiling. Pleasantly scented.

REORDER #	PACK SIZE	DILUTION
NL90360-903206	6 x 1 F-style quart	1:64

Defoamer

Eliminates Excessive Foam

Eliminate troublesome foam with this concentrated defoaming agent. Stops the foam in return tanks that interferes with the operation of equipment. Controls foam caused by detergents, oils, proteins, and many other agents. Effectively defoams. Add directly to return tank of extraction machine. Using Defoamer saves time and improves cleaning performance.
