

# e.MULSIFY

## LOW ODOR FLOOR STRIPPER

### DESCRIPTION

**e.MULSIFY** is a low odor environmentally preferable non-butyl stripper that removes floor seals and finishes. Fast acting, **e.MULSIFY** dissolves and removes multiple coats of conventional and metal free floor finishes. Low odor, use where indoor air quality and use of high solvent solutions is not recommended.

### APPLICATIONS

Schools  
Health Care  
Commercial / Retail  
Super Markets

### FOR USE ON

Resilient Tiles  
Terrazzo  
Synthetic Flooring  
Sealed Wood

### DIRECTIONS

Read entire label before using this product.

1. Dilute product 1:10 with cold water.
2. Liberally apply solution.
3. Allow solution to remain on floor for 4-5 minutes or more if a heavy build-up is present. Floor should remain wet at all times.
4. Scrub floor with rotary scrubber or automatic scrubber using stripping pads or brushes.
5. Pick-up solution using wet dry vacuum or automatic scrubber.
6. Rinse floor using clean water.
7. Allow floor to dry completely.
8. Dispose of this product and waste generated from this product in accordance with all applicable local, state and Federal regulations.
9. Use eCoat Zinc-Free Floor Finish after floor is completely dry to re-coat.

Read product label for directions and cautions before using this product. Use with adequate ventilation. It is recommended that proper personal protective equipment be worn including: eye glasses, gloves and chemically resistant, non-slip footwear.
