Squeegee Tabs for Windshields & Glass

Effervescent tablets that dilute with up to 2.5 gallons of water to make a ready to use cleaning solution for windshields, mirrors, and windows. 100% active ingredients for streak free cleaning in all water conditions.

Non ammoniated, no alcohol or solvents. VOC free, safe on all glass, plastic, Lexan, chrome, and soft metal surfaces. Compact, space saving packaging, reduces shipping costs.

Ideal for gas islands in gas stations, truck stops, C-Stores, and for use in contract window cleaning operations.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Put tablet into the desired container. Add water.
Allow 5-7 minutes for the tablet to completely dissolve.
(Tablets dissolve faster in warm water)

1 tablet makes 2.5 gallons of RTU window wash solution
2 tablets make 3 - 5 gallons of RTU window wash solution

NOTE: Keep container closed when not in use. Humidity and water will damage the tablets.
