

MARINE SAFE

ZING®

CONCENTRATED MARINE PARTS & ENGINE DEGREASER

DESCRIPTION

ZING® Marine Safe Concentrated Marine Parts & Engine Degreaser provides professional strength degreasing for engine components, drive trains and other greasy areas. Powered by Omnia™ from Eastman, it safely removes grease, grime, tar, rubber marks and oily deposits on metal, painted surfaces, aluminum, fiberglass and plastic. Use to degrease engines, power drive units, outboard motors, jet skis, trailers and any area with grease and oil. Marine Safe ZING Concentrated Marine Parts & Engine Degreaser is pH neutral and will not harm water safe surfaces. It is VOC free, phosphate free, non-fuming and is non-hazardous for people and marine environments.

FEATURES

- Marine safe ingredients
- Dissolves tough grease, grime and oil soils quickly
- pH neutral safety, non-hazardous and biodegradable
- No harsh chemical fumes, VOC free, phosphate free
- VOC free, no irritating odors
- Non corrosive
- Fresh Lemongrass scent
- Powered by Omnia™ from Eastman

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Dilute solution according to the degree of soil and method of cleaning. Recommended dilution ratios of cleaner to water are as follows:

Light soil: 1:40

Medium soil: 1:20

Heavy soil: 1:10

Pressure washing: adjust dilution as needed up to 1:256
